ABOUT *Vident*

Vident is a professional supplier of diagnostic products, service and solutions in the aftermarket.

Founded by a group of experts and engineers in the industry, Vident offers a full line of automotive diagnostic products with industry-leading technology.

Our product portfolios include basic and enhanced OBDII code readers, innovative full system scan tools, specialty service tools, professional scan tools and comprehensive wireless diagnostic systems.

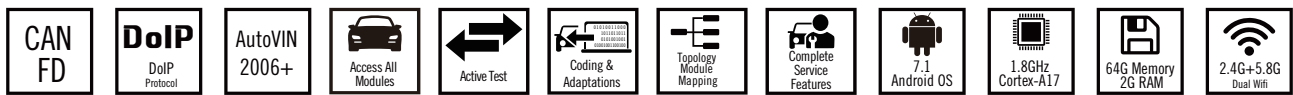

Committed to innovation, product reliability and quality-assured customer service, Vident aims to deliver superior products to satisfy the needs of all our distributors and end-users.
